

NESSIC PRESENTS

NESSIC

Network for Enriching Students and  
Schools In China

# Inaugural PHOTOGRAPHY COMPETITION

## CATEGORIES

### **This is my school!**

Can you capture that decisive moment that typifies your school? Is it a crowd cheering at a sports match? Or the eyes of a student engaged in problem-solving? Perhaps it's a quiet moment where you take a break with a book in a private alcove?

### **This is my tribe/family!**

There are many ways to describe a family. Who are the people closest to you? Who are those that you celebrate with? Those that you turn to when times are hard?

### **This is my happy place!**

We all have a happy place. Some may find happiness by the ocean and its crashing waves. Others need the mountains and its majestic view. Show us your happy place.

### **This is my photographic best!**

Open theme, just show us the best you have!
